

Hood Canal Youth Summit

Hood Canal Watershed Project

PO Box 1445
Belfair, WA 98528

You are invited to join The Hood Canal Watershed Project Center to participate in environmental monitoring and restoration projects, culminating in a watershed-wide **HOOD CANAL YOUTH SUMMIT** conference.

What is the Youth Summit?

The **Hood Canal Youth Summit** provides an opportunity for students to share their scientific findings, artistic abilities, and photographs regarding the Hood Canal with one another, the Hood Canal community and professionals working on the challenges the Hood Canal faces.

The Summit will include:

- **Student presentations**
- **Photo contest**
- **Unique individual workshops**

Date: June
2nd, 2005

Location:
Fort Flagler
State Park
Port Townsend,

**For Comments or questions please

Who Participates?

Teachers and hundreds of students from the north end of the Canal in Quilcene, down to the tip of the Canal through Kitsap County, Belfair and Mason County and around to Skokomish Tribal Lands.

Public, private, home-schooled groups, youth groups and individuals are invited to participate.

KEEPERS OF THE CANAL
Water Quality Monitoring Day is
April 13th. Your results will be the
highlight of the Youth Summit!
